25X1 12. [REDACTED] Received from Mr. Phillip Yeager, House Committee on Science and Astronautics staff, a letter for the Director from Chairman George P. Miller, requesting review of a paper prepared for publication by the Committee covering a ten year review of the Soviet space program in comparison with that of the United States. The Chairman desires to insure that no classified data has been included. Discussion with Mr. Yeager indicated that informal response, if desired by the Agency, would be acceptable. STATINTL
